

IX Bukowa Cup

29.04-03.05.2022

BULLETIN no 1

Competition of the Poland Central Calendar (coefficient of Z=1.10)

PATRONAT MEDIALNY

FLAMQA

Dear Competitors,

I am pleased to invite you to the magical forests of Szczecin for the 9th edition of the Bukowa Cup. We offer you a 5-day format and five maps in completely new, interesting areas. To meet your expectations, we are also introducing a new general classification formula for the first time. Four of the top five results will count towards it. In addition, the competition will be diversified by the TrailO - TempO in the area of the sprint run - to participate in which I strongly encourage you. Bukowa Cup is not only BnO, but also an opportunity to promote the sport of disabled people and integrate our environment. We create competitions with a passion for Orienteering, so after the races there will be plenty of time for sports integration. The location of this year's Competition Center is a guarantee of good fun and unforgettable evenings spent together.

I sincerely hope that this year's event, like the previous editions, will meet your expectations, and that your participation in the event, apart from spilled sweat, will bring you complete satisfaction. It will be a great pleasure for me and the entire team of KOS BnO Szczecin to host you again in Szczecin, a city that smells of chocolate.

We wish you a lot of fun on the road.

PARTICIPATION

According to the PZOS rules, every competitor who wishes to participate in competitions ranked in CTZ has to prove that they have a valid license issued by PZOS in order to compete for PZOS's ranking points. Lack of such licence does not interfere with taking part in Bukowa Cup, that competition is open for every participant.

All participants are required to have been checked medically before the competition and have been cleared for taking part in sports competitions. Partakers who can't verify that they have been cleared by a doctor, have to state that they are taking part in the Bukowa Cup for their own responsibility.

All participants registered as impaired have to deliver a proof as in line with PZOS rules (attachment 12a of the PZOS licence rules).
